

# Call to Organize the EASAS Doctoral Workshop 2024/2025

The Call to Universities and Higher Education Institutions to host the EASAS Doctoral Workshop to be held in 2024 or 2025 is now open.

The workshop will give Ph.D. students an opportunity to receive feedback on their theses from senior scholars and fellow Ph.D. candidates who are also working on South Asian topics. In addition, it will create networks between young students of South Asia and help them develop contacts with others. The doctoral workshop is envisaged as a two-day event for a maximum of 16 Ph.D. candidates and six faculty members from European universities, to be held at a host European university.

The host university will organize the workshop and arrange board and lodging for students as well as the invited senior scholars. The selection of the host university will be made by the EASAS Council.

The EASAS will financially assist with accommodation and board for students and senior scholars at the workshop with a sum up to € 3,000. Participants will have to make their own travel arrangements. In case a host university wants to organize a workshop as an online event, EASAS support funding will be capped at € 1,000.

Please note that the EASAS membership is mandatory for all participants (join here: <https://www.easas.eu/become-a-member/>; pay your fees here: <https://dashboard.easas.eu/>).
